

type number: **KSK 125_DPO**

material: halogen-free material

color: orange RAL 2004

IP classification: IP 66

product description: The box includes a ceramic terminal block with maintained functionality during fires. This terminal block is designed for 8 conductors from 0.5 to 4 mm² in cross section. It is fixed to the concrete using the supplied screws.

The boxes are intended for use only with data cables with proven operability in fire.

It is easy to insert cable, due to soft inputs with maintained protection IP 66. The entire box is made from halogen-free material.

The cover is attached using the supplied stainless steel bolts.

sales amount: á 1 pc

certification: EN 60670-1
